The variation in the percentage of hotel establishments closed every day of the month shows that the impact on the hotel sector of the restrictions adopted to tackle COVID-19 continues to be high. In February 2021, 42.2% of hotel establishments remained closed for the entire month, 27.1 percentage points more than in February 2020 and 25.5 more than in February 2019. In Gipuzkoa, 46.0% of establishments had no business in February 2021, in Álava the figure was 42.1% and in Bizkaia 37.2%.

The bed and room occupation rates of hotel establishments with business in February followed a downward trend in year-on-year terms. There was a drop of 29.6 percentage points in the bed occupancy rate and 34.3 in the room occupancy rate.

By province, Gipuzkoa saw the largest decreases both in the case of bed occupancy, which was down 34.4 percentage points on February 2020, and in room occupancy, which fell by 38.6 percentage points in year-on-year terms. The provincial capital that suffered the most in February was San Sebastián, with falls in the bed and room occupancy rates of 39.1 and 43.0 percentage points respectively.

The profitability indicators of the sector, despite a moderate yet varying performance in the ADR (average daily rate) by province, continued to highlight the effect of the current health crisis on the hotel sector. In February, the RevPAR (revenue per available room) fell in the Basque Country by 59.2% in year-on-year terms, to €16.37. It fell by 47.3% in Álava, 59.3% in Bizkaia and 63.3% in Gipuzkoa. By provincial capitals, there were drops of 41.7% in Vitoria-Gasteiz, 66.7% in Bilbao and, lastly, 66.6% in San Sebastián.

**Informative note**

Eustat would once again like to thank all the establishments that have collaborated with this survey for making this effort despite the extraordinary current circumstances. As a result, it has been possible to disseminate this information, with coverage of 97.6%, enabling the effects on this sector of the measures adopted in order to combat COVID-19 to be quantified.
