With a slight variation of 0.1% compared to the previous September, visitors from abroad accounted for 36.1% of the total number of visitors in Basque Country rural accommodation in September 2024. Meanwhile, as regards overnight stays, those by visitors from abroad represented 33.8% of the total, following an increase of 4.3% compared to September 2023.

By province, visitor numbers remained stable in Álava, while they were down 5.0% in Gipuzkoa and 10.8% in Bizkaia. Regarding overnight stays, these decreased by 9.9% in Álava and 7.4% in Bizkaia, while in Gipuzkoa they were up 4.6% in year-on-year terms.

The average length of stay in this type of establishment in the Basque Country was 2.52 days in September 2024, above the 2.40 days average length of stay observed in the same month of the previous year. The average length of stay refers to the number of days that, on average, travellers remain in each of the establishments where they stay overnight, and not the total length of their stay in the Basque Country.

The bed occupancy rate was 1 tenth of a percentage point higher than that obtained in September 2023, standing at 33.1%. The room occupancy rate, however, saw a slight year-on-year increase of 2 percentage points, standing at 40.3% in September 2024.

In relation to **tourist apartments**, in September 2024 there was a total of 19,649 visitors, giving rise to 65,993 overnight stays. Comparing this data with that of the previous September, the increase reached 4.4% in the case of visitor numbers and 8.0% in that of overnight stays.

Each of the accommodation units offered under a business operating unit, managed under the block or combined mode, is referred to as a tourist apartment. Private dwellings offered, marketed or temporarily relinquished for reasons of tourism **are not included under the heading of dwellings for tourism use**.
