Within Market Services, the year-on-year downturn in real sales is generalised. Of particular note is the drop in sales in the Hotel Management and Catering sector, with an estimated decrease of 35.5%. It is followed by sales in Administrative Activities & Auxiliary Services with a decrease of 26.4%; Transport and Storage, down 6.8%, Professional, Scientific & Technical Activities, which registered a year-on-year variation of -6.4%; and, finally the Information & Communications sector, which fell by 4.1%. All

the above in relation to the third quarter of the previous year and once corrected for calendar effects.

Compared to the second quarter of 2020 and in deseasonalised terms, there was a generalised recovery although to different extents. Thus, the Hotel Management and Catering sector saw its sales increase by 82.4% in the third quarter compared to the preceding quarter and Transport & Storage by 24.5%. Sales in Professional, Scientific & Technical Activities rose by 9.7% in quarter-on-quarter terms; Administrative Activities & Auxiliary Services saw an increase of 8.2%; and, finally, sales in the branch of Information & Communications were up 2.8%.

In the year so far, the sharpest drop in accumulated sales was in Hotel Management & Catering (fluctuation of -38.8%), Administrative Activities & Auxiliary Services (-21.3%) and Transport & Storage (-12.6%). The decrease was more moderate in Professional, Scientific & Technical Activities (-7.8%) and Information and Communications (-3.5%)
