(1) The average length of stay refers to the number of days that, on average, travellers remain in each of the establishments where they stay overnight, and not the total length of their stay in the Basque Country..

(2) Each of the accommodation units offered under a business operating unit, managed under the block or combined mode, is referred to as a tourist apartment. Private dwellings offered, marketed or temporarily relinquished for reasons of tourism are not included under the heading of dwellings for tourism use.
